About Hotel Union Geiranger

The hotel was originally built in 1891 in traditional Dragon Style / Swiss chalet style. The Mjelva family took over the operation in 1899 and has, over generations, developed the hotel into what it is today – a modern hotel with conference and meeting facilities, a spa, swimming pool, nightclub, and unique experiences for our guests.

The hotel is now run by the fourth generation of hosts, Monja and Sindre Mjelva, who continue the strong Union atmosphere with a focus on quality and service.
